## PAPER CRAFT MASK

### Chicken

MSK - 1804

**INCLUDES:** Chicken (4 sheets)

**TOOLS:** Paper glue (required)  
(not included)  
Craft knife or scissors  
Metal ruler  
Cutting mat  
Clips (optional)

**TIPS:** For cutting, use a craft knife and a metal straight edge over a cutting mat or board for best results. // Transcribe the edge number onto the back of the paper to more easily match to the flap that tuck under that edge. // Recommend assembling the smaller pieces together first. // Reduce the width of a flap with a craft knife or scissors if the flap will be glued to a piece thinner

than the flap itself. // When folding a flap, use a straight edge (like a ruler or drafting triangle) to crease the paper. // Lightly score the surface of folds for tiny parts, like teeth. // Use clips to hold pieces together while glue is drying. // Be aware that folds may be valleys or mountains. // Perforation, holes, or omitting eyes will be needed in order to see out while wearing completed mask.

**CAUTION:** THIS MASK IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND. THIS MASK IS NOT A TOY AND IS NOT INTENDED FOR USE BY CHILDREN UNDER 12. USE CAUTION WHEN WEARING MASK. DO NOT OPERATE VEHICLES OR MOVE AROUND WHILE WEARING COMPLETED MASK.

**NOT FOR RESALE**
